It's not your normal ride and it's not a Poker Run. You will receive a list of questions to answer along with a predetermined map and route to ride (approximately 120 miles). This is not a race and it is best to ride two up. Questions, contact Racket at 405-306-2542 or Sandbagger at 405-826-1000.

ALL money will go to the family of Sgt. Mycal Prince. He was KIA in Afghanistan. Sgt. Prince leaves behind a wife and two young daughters. Please come and support this ride. If you don't have a motorcycle, you are certainly welcome to drive a cage.

After the Scavenger Hunt, dinner will be served at the VFW. Remember, Freedom isn't free! There are sacrifices! Thank you to all that have served!
